WILLIAM E. BURNS

As we leave West Deer High School this year, we, the Seniors will take with us countless treasured memories. Among these memories will be those of the friends we have made. When we think of these friends, our minds go toward a person who has been a patient, understanding, and true friend during our whole four years of high school life.

Holding before us his high Christian standards he has quietly and unassumingly led us successfully down the road of our high school career. Not only guiding and supervising us as a principal, he has become our personal friend and has affectionately watched over us and aided us in every way possible.

Doubtless in years to come as we think of West Deer High School, just so will we think of Mr. Burns who has tirelessly striven for the past eight years to make our high school a more pleasant and wonderful place.

Therefore we, the graduating class of 1952, of West Deer High School, to express our deep appreciation to our friend, take humble pride in dedicating this yearbook to William E. Burns.

*"Lives of great men all remind us,
We can make our lives sublime,
And departing leave behind us,
Footprints on the sands of time."*

PAGE FROM A COWBOY'S JOURNAL

While visiting in the East, I spent a week at West Deer High School. Strangely enough everything I saw there I compared to my ranch home in the West. All activities, sports, and even the studies were comparable to something from the "wide open spaces." I suppose the part of the school life which began this comparison in my mind was the sports. I found that the Class of 1952 was noted for its fine football, basketball, and baseball players. Also along with good sportsmanship they learned high ridin' and square shootin'.

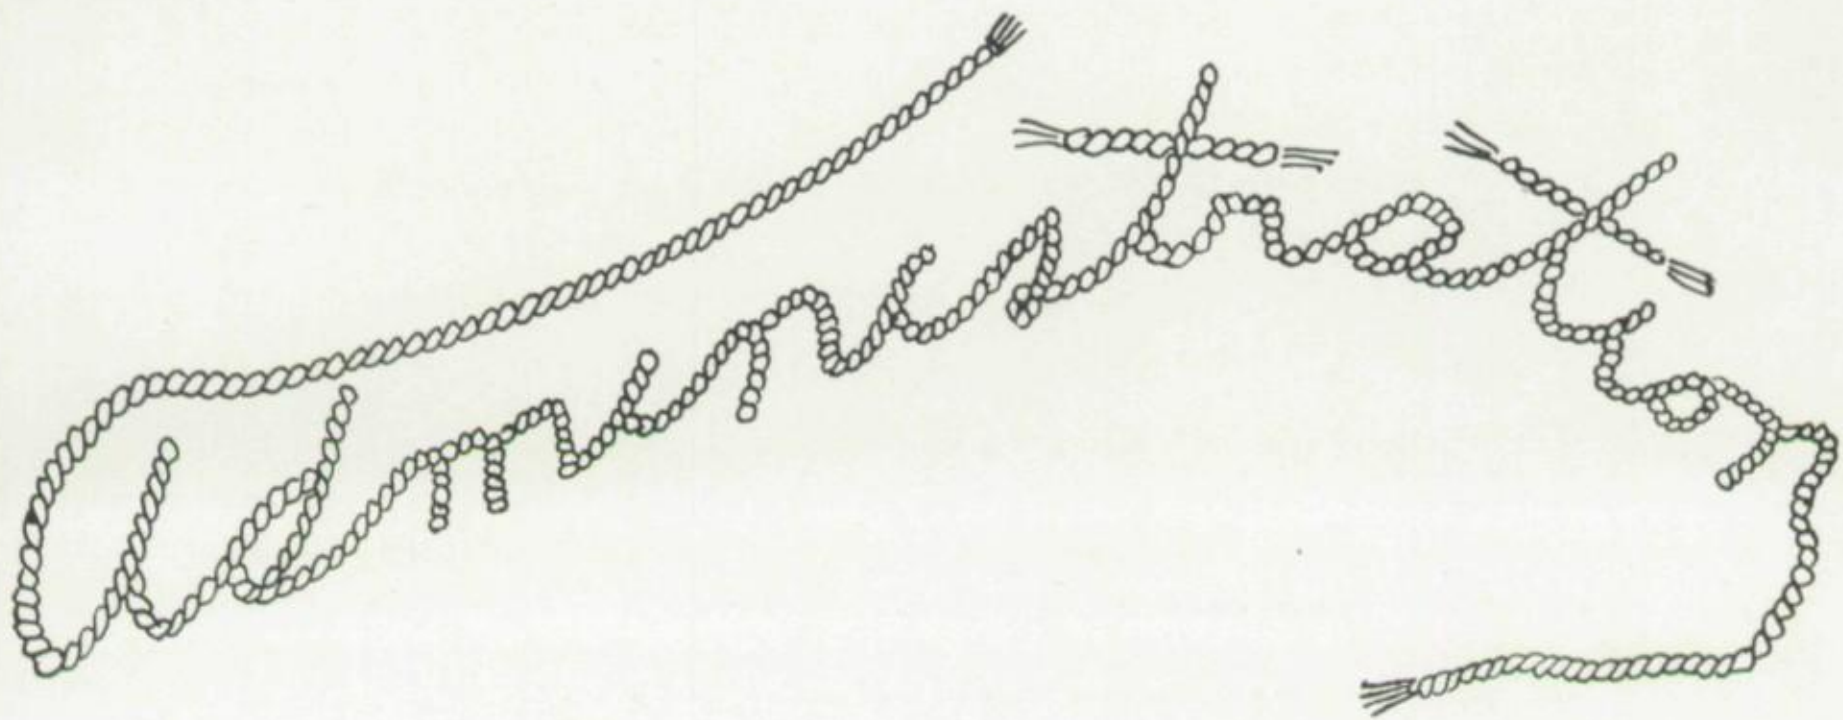

The Senior Class reminded me of the pioneers of the old West, for they, like pioneers, will soon be leaving the place they know so well, to travel on to bigger and harder things. I think their stay at West Deer High School, which I will nickname Bar W.D.H.S. Ranch, has well equipped them for the task.

I am keeping the following pictures and writeups about Bar W.D.H.S. Ranch so that I will never forget my wonderful visit.

MY CREED

To live as gently as I can;
To be, no matter where, a man;
To take what comes of good or ill
And cling to faith and honor still;
To do my best, and let that stand
The record of my brain and hand;
And then, should failure come to me
Still work and hope for victory.

To have no secret place wherein
I stoop unseen to shame or sin;
To be the same when I'm alone
As when my every deed is known;
To live undaunted, unafraid
Of any step that I have made;
To be without pretense or sham
Exactly what men think I am.

To leave some simple mark behind
To keep my having lived in mind;
If enmity to aught I show,
To be an honest, generous foe,
To play my little part, nor whine
That greater honors are not mine.
This, I believe, is all I need
For my philosophy and creed.

THE GOOD OLD DAYS

CLASS HISTORY

In 1948 we, the Seniors of today, became freshmen of West Deer High School. Can you ever forget how excited and proud you were to become a part of this wonderful school?

Our first few weeks as freshmen were quite confusing. It seemed we would never be able to get to classes on time or to find the right room, but finally we conquered this obstacle and got right into the swing of things. With Mrs. Ekas as class sponsor, the first big undertaking as freshmen was an assembly. Songs, dances and other forms of entertainment were furnished by members of our class thus making this affair a great success. This was followed by other activities, highlighted by the Freshmen Party.

In 1949, we returned as wise sophomores. We were minus a few of the original group, but proudly we took the place that awaited us. During that year many from our class became band members, majorettes, flagtwirlers or cheerleaders. We were allowed to join clubs and became a part of all the functions of the school. Miss Kaufman, Sophomore sponsor, rounded up her group to plan for a senior treat, the annual S & S Party. From this time on we became an appreciated class.

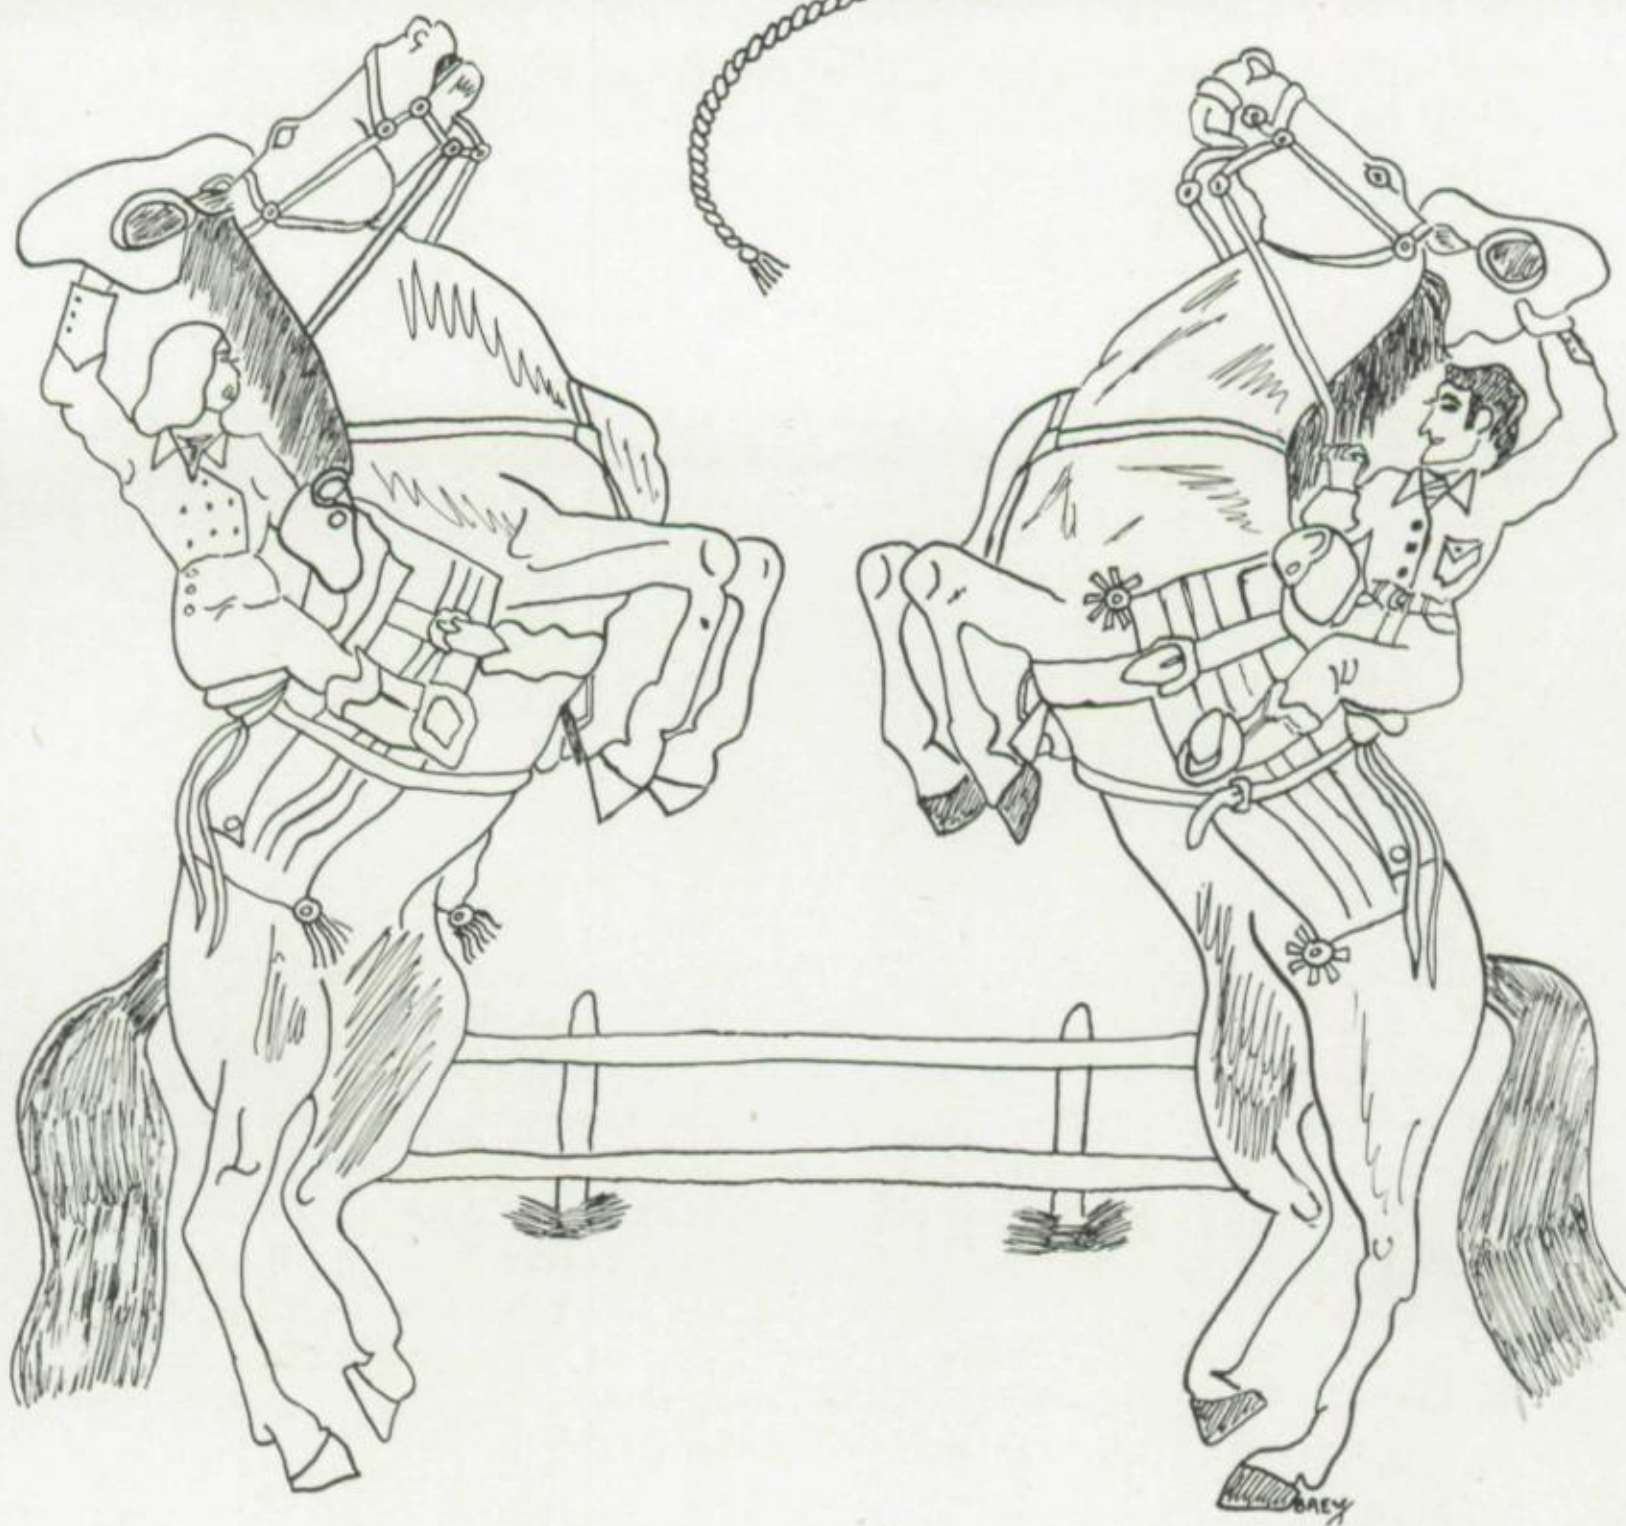

September, 1950—what a momentous time that was, for then we became upper-classmen of West Deer. During this year things really began to happen. Under the guidance of Mrs. Schuster, we choose our class motto, flower, and colors. "Arsenic and Old Lace," our junior class play, was a huge success due to the efforts of Mr. Fortun and Mr. Powers. The greatest accomplishment of our junior year was the Junior-Senior Prom. Decorations were centered around the Cinderella theme. This was a romantic ending to an outstanding and successful year.

Over one hundred members of our class entered West Deer in September, 1951 as seniors. This was our biggest year, for we had more activities than ever before. We ordered and exchanged namecards, had our pictures taken, received our year-books, and participated in many club activities. Our senior play, "We Shook the Family Tree" was acclaimed by many as one of the best ever produced in West Deer. We are grateful to these outstanding thespians and their capable leader, Miss Jarema. The boys and girls worked together to make the Senior Bazaar a great success. March was the month when our annual luncheon was held, and the day we learned more about many of the occupations in our community. In April we journeyed to Pittsburgh to visit the Court House, the H. J. Heinz Company, and other points of interest. Now the month of May sees us sending out our invitations for graduation. The day we had awaited so long has arrived. We feel just a little sad, but yet proud because now we are alumni of West Deer High.

Be Strong!

*"We are not here to play, to dream, to drift;
We have hard work to do, and loads to lift;
Shun not the struggle—face it; 'tis God's gift."*

CLASS SONG

(Tune—Pagan Love Song)

Years of school completed,
Meeting here once more.
We the Class of 52,
Think of days of yore.
Spending years together,
Seeing time go by
For it was a pleasure
To be part of West Deer High.

We'll remember school days,
Till the day we die.
Dreaming of the May Day
When we said Good-bye.
Down life's road we'll travel,
Leaving with a sigh
Halls and rooms and voices
Of good old West Deer High

Three years have passed since the Juniors entered W.D., and now they can look into the crystal ball and see themselves returning next fall as Seniors.

One of the achievements of which this class can be proud was the minstrel. The cast and chorus gave an outstanding performance which was enjoyed by many.

To round out their activities for the year the Juniors entertained the Seniors at the traditional Junior-Senior Prom.

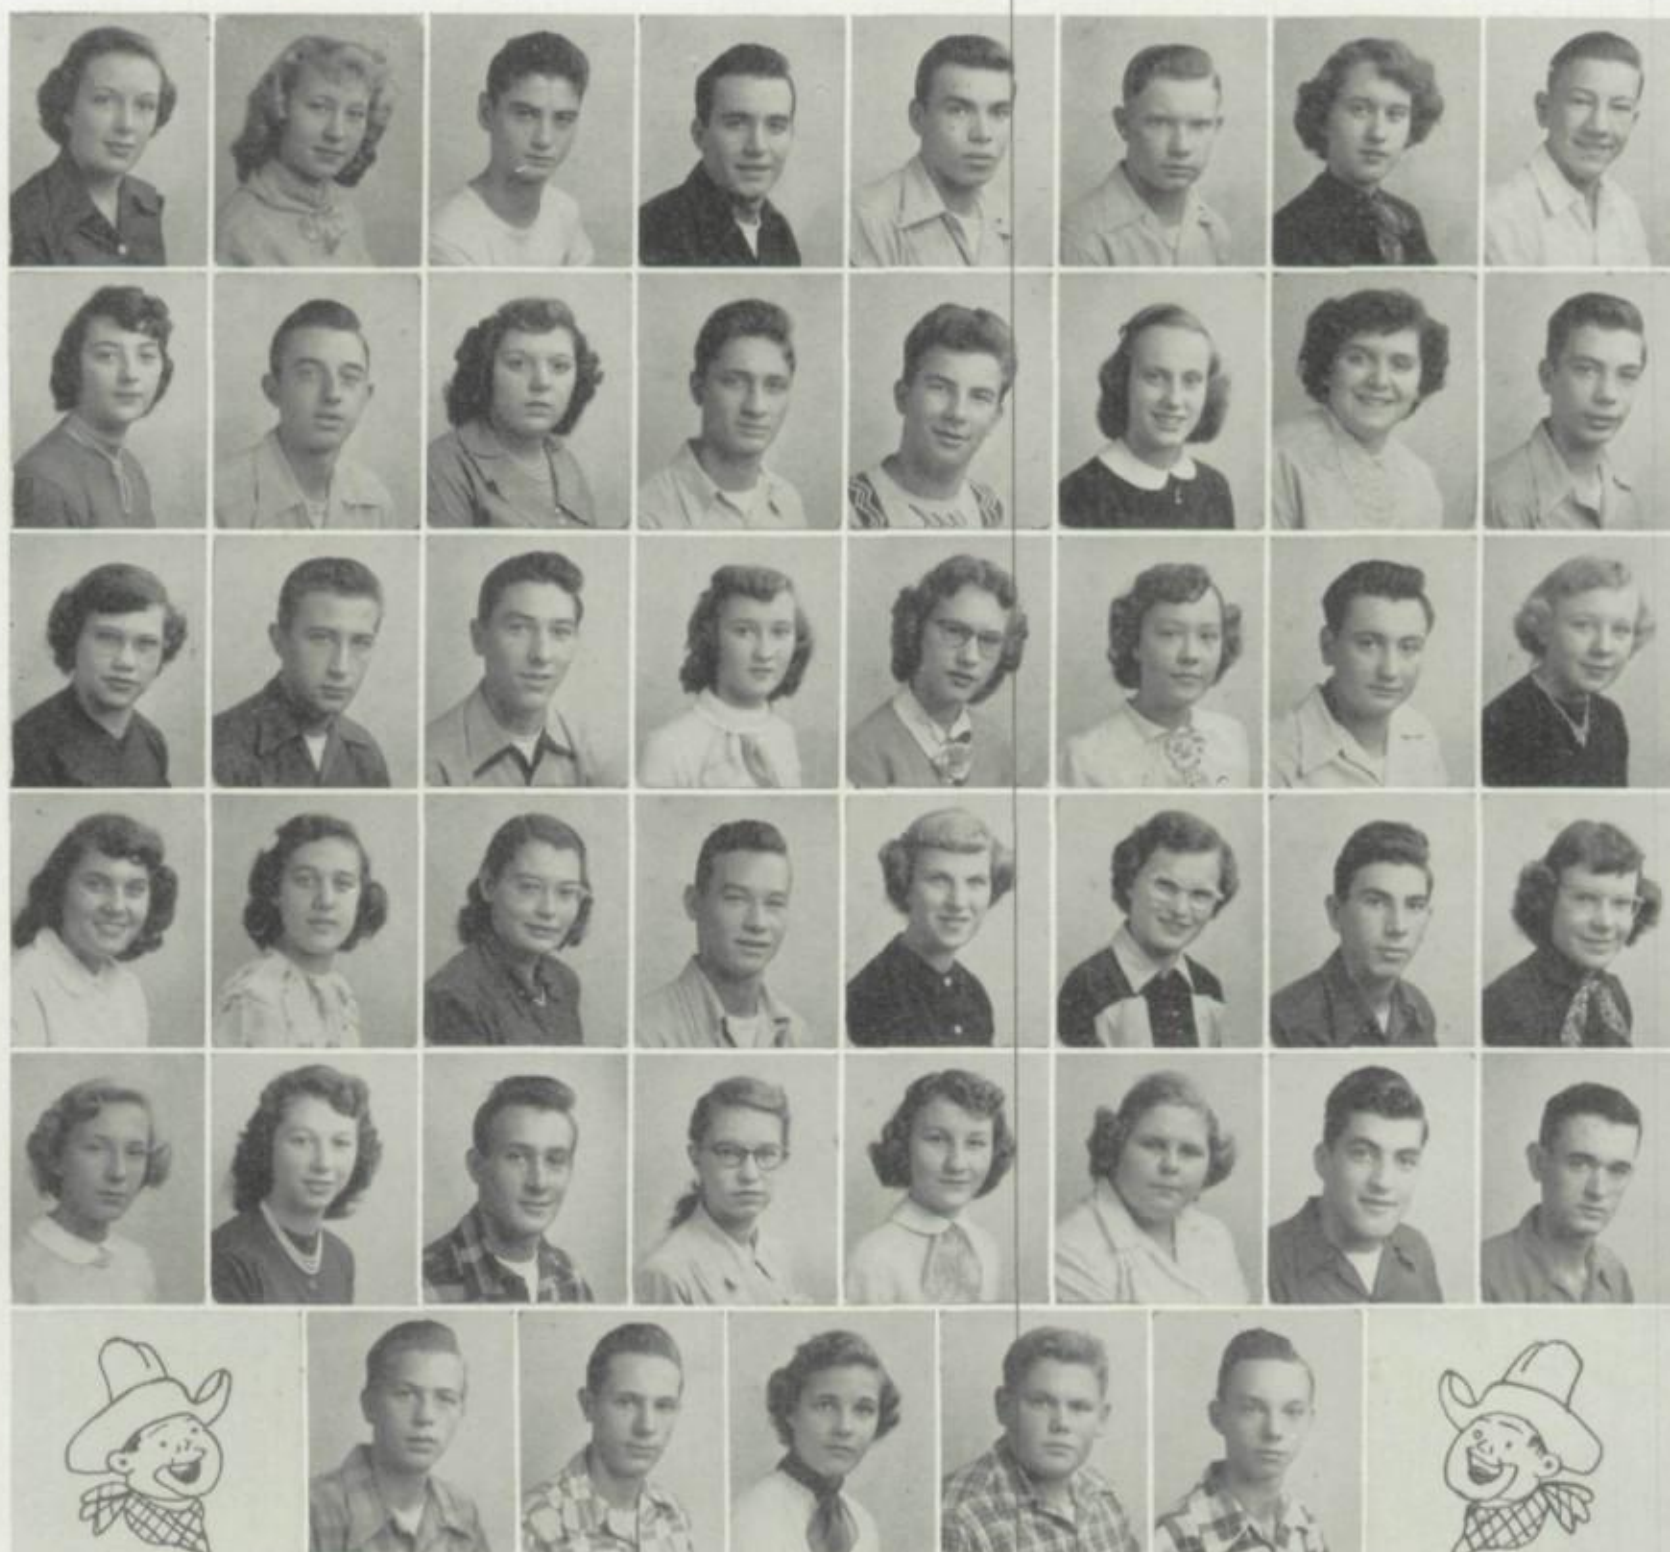

Good luck to you in your final round-up.

A group of 153 students entered the portals of West Deer in 1951 to become the biggest class in the school's history. They proved to be a worthwhile group as shown by the success of the Freshmen Valentine party. Another class project was the selling of pencils on which the school's name was printed. To you we say good luck in your remaining three years.

We extend our greetings to the eighth grade who, due to crowded circumstances in the grade schools, have embarked upon a five year stay at West Deer instead of four.

During their remaining years at W.D.H.S., we wish them all the success and fun possible.

- All the trouble we had as Freshmen trying to find the right rooms?
- The Freshman assembly when all the talent was discovered?
- That wonderful Freshman party we had?
- How happy we were to get even one day off from school?
- Our Sophomore Party and the S & S?
- Report cards; good or bad?
- The Junior and the Senior plays?
- The fun we had decorating for the prom and other affairs?
- The initiations for membership into a club?
- All those wonderful and exciting football and basketball games?
- The day we received our class rings?
- When the canteen was first started?
- The day we had Senior pictures taken?
- Award day, when the students got their just award?
- The Halloween Party and the Homecoming Dance? Didn't everyone have fun?
- How sad everyone was at Baccalaureate and Graduation?
- Becoming alumni with the realization that our high school is the best in the world?

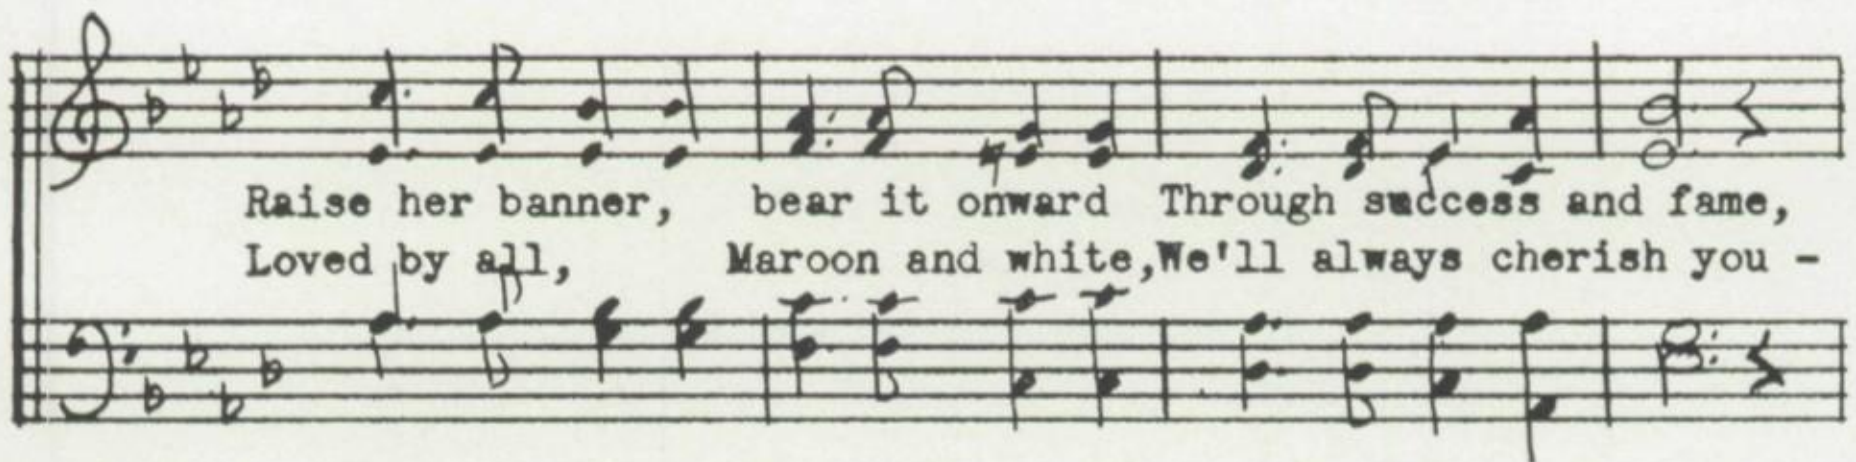

ALMA MATER

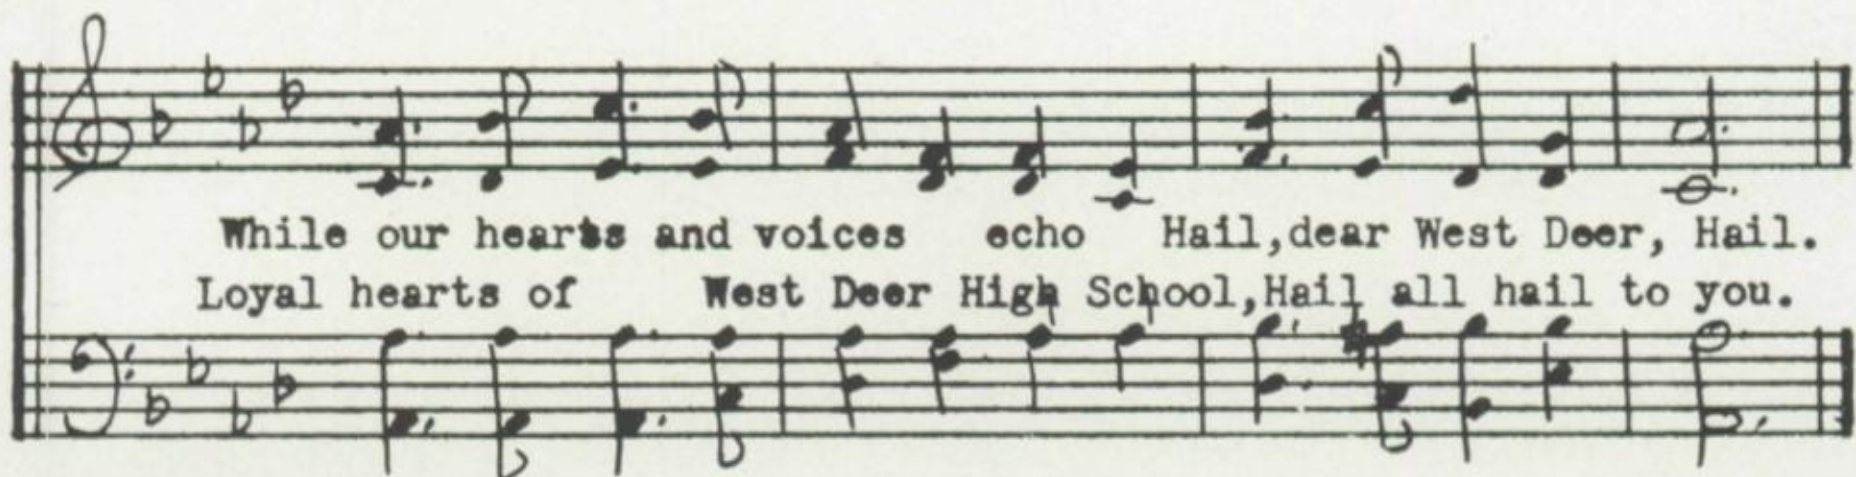

Where the hills of Pennsylvania Rim a cloudless hue,
Always forward, Alma Mater, Proud to bear thy name;

Proudly stands our West Deer High School 'Neath the heavens' blue;
And the clouds reach down to meet you In your lasting fame.

Raise her banner, bear it onward Through success and fame,
Loved by all, Maroon and white, We'll always cherish you -

While our hearts and voices echo Hail, dear West Deer, Hail.
Loyal hearts of West Deer High School, Hail all hail to you.

A serious moment in P.O.D.

ANTLER

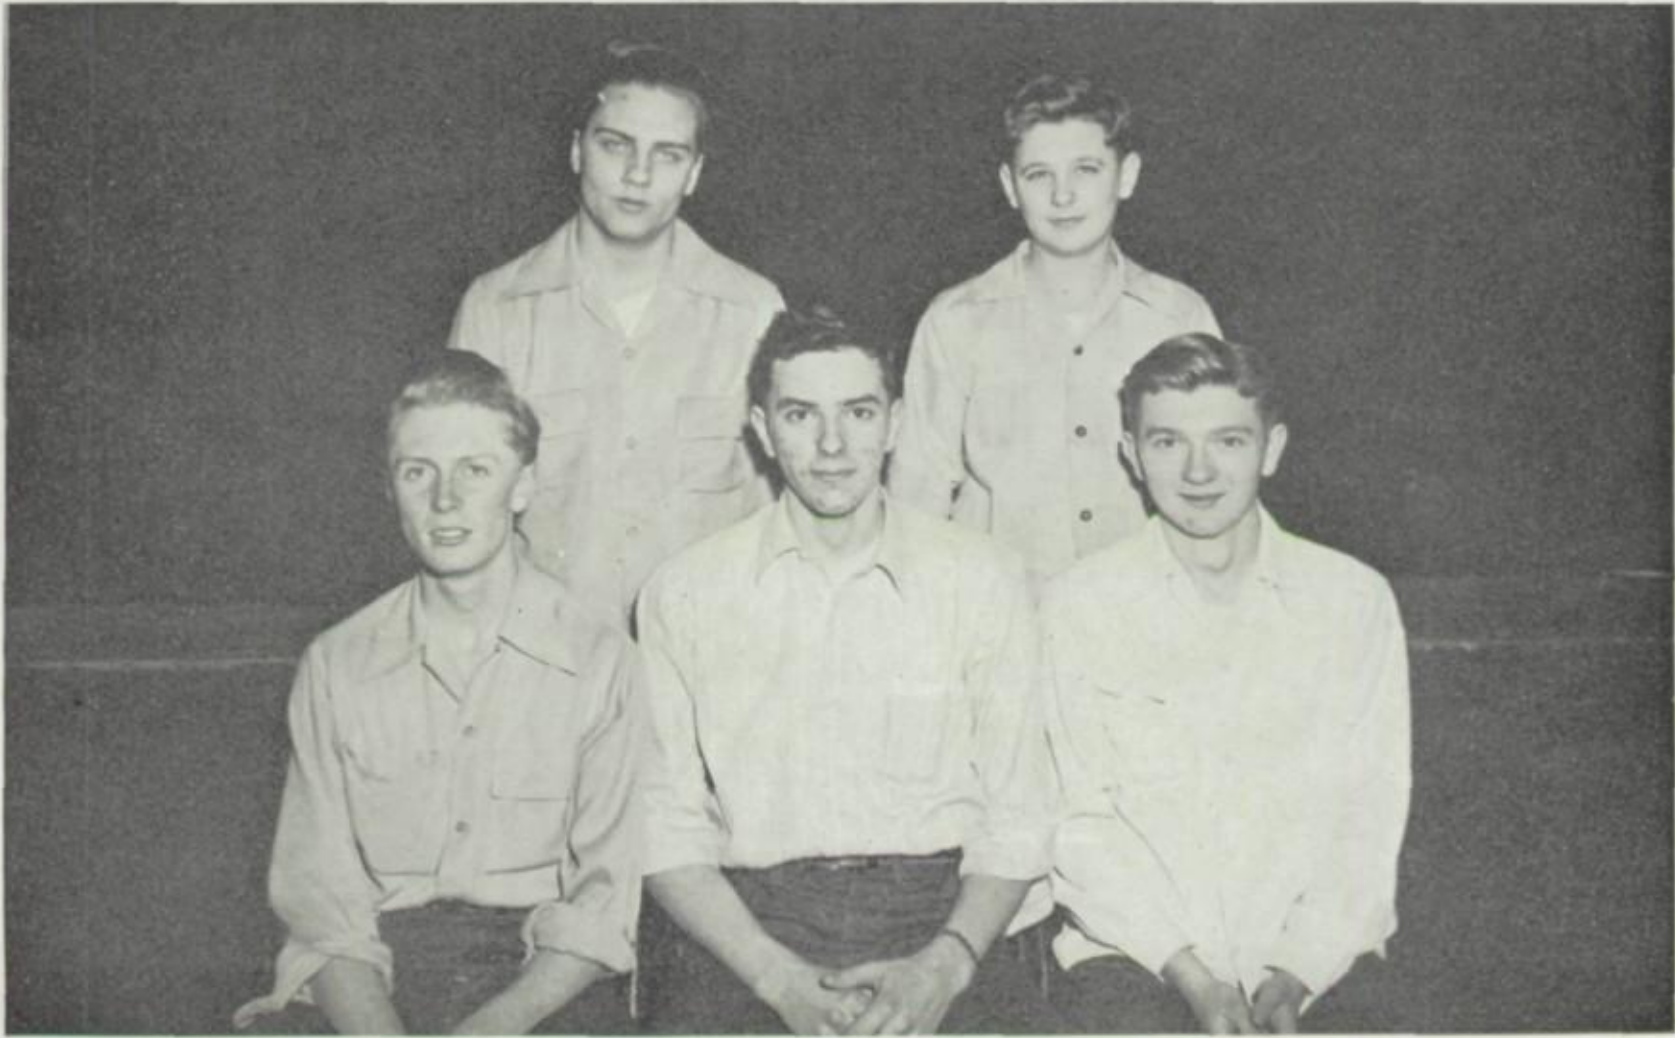

Having a "nose for news" is a requirement of the Antler staff. Now that a journalism class has been organized, the staff is learning more about publishing a paper. This is evident because of a more enjoyable Antler issued each month. They provide a worthwhile resume of school news which the students enjoy and eagerly wait for at the end of each month.

These five boys of the Visual Aids Society have presented classroom films to the students at West Deer for educational purposes. This year the boys made a trip to the Buhl Planetarium.

OUR SONG

If we can grow as simply as common blades of grass,
 Both tall and straight as trees grow to the sky,
 Then we can learn to know, to know and understand ourselves and others—
 What we do and why.

CHORUS:

We, the younger generation
 Are striving now to build a better world.
 Peace and unity, freedom and brotherhood,
 These we have set to be our goal.

MAY THE GOOD LORD BLESS AND KEEP YOU

May the good Lord bless and keep you, whether near or far away,
May you find that long awaited golden day today,
May your troubles all be small ones, And your fortune ten times ten,
May the good Lord bless and keep you till we meet again.
May you walk with sunlight shining, and a blue bird in every tree,
May there be a silver lining, Back of every cloud you see,
Fill your dreams with sweet tomorrows, Never mind what might have been,
May the good Lord bless and keep you till we meet again.
